

Keep your dog cool, safe and happy!

12" x 12"
Ice mat slides into liner

Keeps your dog cool on hot days & warm on cold days!

Safe and Non-Toxic: Contains safe, laboratory tested, purified water - no dyes or gel.

Durable Design: High Quality Thick Microfiber top is easy to clean and Neoprene base directs cooling upward towards dog.

Puncture resistant: Made in USA from puncture resistant plastic.

12" x 12" size allows for easy positioning in dog bed or on ground.

Use One CoolDog for puppies and small dogs

Two CoolDogs for Medium Dogs and Three for large dogs.

For cold: Freeze for 3-4 hours and lay on dog bed or ground to cool your dog.

Built-in insulation so your dog can lie on the uninsulated 32° side or 45° insulated side.

Also works to as a warming pad! Microwave for 30 seconds for 30 minutes of warming for your dog.

Low Temperature dishwasher safe. Outer sleeve can be machine washed on gentle cycle.

Stores in freezer flat for quick and easy use anytime.

Ice mat fits entirely into black microfiber outer (shown to indicate ice mat is used)

Packaged in Blister Clamshell with Card in Display Box
